PROJECT MANAGEMENT TOOLS

Asana | Jira | Trello | ClickUp | Microsoft Excel | Microsoft Word | Microsoft PowerPoint | Microsoft Teams

PROFESSIONAL EXPERIENCE

Project Manager | Cyntonisca Ltd

Jul 2025 – Feb 2026 | Remote

Project focus: Client operations and service delivery

- Orchestrated project delivery from requirements gathering and planning through execution, quality reviews, and handover, aligning stakeholders around scope, milestones, and acceptance requirements.
- Led planning and delivery coordination for a 2-person team, allocating tasks, tracking schedules and dependencies, and resolving blockers to maintain progress against project milestones.
- Standardised onboarding documentation and working procedures, reducing new-team-member onboarding time by 40%.
- Optimised the delivery workflow through reusable processes and structured reviews, reducing delivery turnaround from 3 days to 2 days, a 33% improvement.
- Coordinated collaboration requirements across 5 client accounts, translating stakeholder needs into prioritised deliverables and managing risks affecting service readiness.

Project Manager | Visionary Services

May 2024 – Mar 2025 | Remote

Project focus: Client deliverables and service improvement

- Drove project execution from requirements definition and task planning through review, acceptance, and handover, maintaining alignment between stakeholders and delivery teams.
- Organised project schedules, task ownership, and milestone reviews; tracked deliverables and escalated dependencies and blockers within the remote team.
- Coordinated quality reviews and stakeholder feedback for a client-facing project serving 30 users, aligning completed deliverables with agreed requirements.
- Maintained project documentation and communicated progress, risks, and outstanding actions to support timely decisions and consistent follow-through.

Project Manager | Zentrix Innovative Labs

Nov 2023 – Mar 2024 | Remote

Project focus: Process improvement and delivery quality

- Led defined project workstreams from planning and requirements review through execution, quality checks, and final delivery.
- Translated stakeholder requirements into actionable tasks, allocated responsibilities, and tracked milestones and dependencies across contributors.
- Managed risks and quality issues through structured reviews, prioritising corrective actions and coordinating resolution before handover.
- Organised stakeholder feedback and acceptance reviews to align final deliverables with agreed scope and document outstanding actions.

Freelance Project Manager

May 2023 – Present | Remote

Project focus: Startup client engagements

- Delivered 15 client projects from initial requirements and scope definition through planning, execution, review, and final handover.
- Established delivery milestones and priorities for each engagement, coordinated revisions, and maintained client communication throughout the project lifecycle.
- Coordinated improvement projects for 5 clients, contributing to an 18% increase in conversion or sign-up rates.
- Managed client feedback and scope adjustments, clarified acceptance requirements, and tracked outstanding deliverables through completion.

ADDITIONAL EXPERIENCE

Freelance Documentation Specialist | 2023 – Present | Remote

Authored structured reports, evaluation guidelines, and quality documentation; refined deliverables for clarity, consistency, and effective handover.

Volunteer Experience

MovieFi — contributed to team delivery activities.
TEDx Maitama Annual Conference Abuja — supported event operations and team coordination, July 2026.
